The Complete Program

Our risk management program also offers valuable resources, including sample forms and articles, that cover the best risk management practices and latest trends. View them at <https://www.protectorplan.com/dental-risk-management/>. You may also call the PPP Risk Management Hotline to speak with a risk management consultant at 844-747-8543.

Ready to sign up?

This online course consists of 14 modules. Each module takes less than an hour to complete and includes five quiz questions.

Please forward your certificate of completion to your PPP State Administrator:
